

Information for Alderney Students Post-16 2022-23

As an Alderney student you face the same decisions as Guernsey students. However, there is extra information you will find helpful about accommodation in Guernsey whilst you study, working in Guernsey legislation and employment opportunities in Alderney.

Staying on in full time education

Alderney students can choose to study their post-16 education in Guernsey, or some students choose to study in the UK as their families moved over to Alderney from the UK originally. Alderney students studying in Guernsey are supported by the Family Placement Service (Health & Social Care) in terms of accommodation and living arrangements. The Family Placement Service meets with prospective students and their parents every year in the spring when they visit St Anne's. This will include a meeting with students during the day and parents/students in the evening to talk about the scheme and answer any questions they may have. Students visit the Sixth Form Centre and TGI (College) in Guernsey before they fill out an application form.

Year 11 students can choose to study the following full time Post-16 options:

- A levels and IB Certificates, IB Diploma or the IB Career-related Programme at the Sixth Form Centre in Guernsey
- Vocational Qualifications at the TGI (College) in Guernsey
- Further Education in the UK

Students wanting to find out more about courses in the UK should contact Miles Davies, Careers Adviser for St Anne's at Careers Guernsey on Tel: 226565 or miles.davies@gov.gg

Starting employment/training

Apprenticeship in Alderney

Find out more about the employers who are registered in the Apprenticeship scheme in Alderney by contacting the Apprenticeship Manager below.

The Apprenticeship Scheme will support the employer and apprentice with funding to allow day release to the TGI (College) in Guernsey. You apply for a job with one of the employers and then you register with the TGI (College) once you have a job. Contact the Apprenticeship Manager Tel: 227500 Apprenticeships@gcfe.net if you need more information.

Apprenticeship in Guernsey * Important

Students and parents/carers need to be aware of the Housing and Permit regulations for Alderney residents wanting to live and work in Guernsey. It is possible to work as an apprentice in Guernsey as some St Anne's students in the past have found apprenticeships in Catering, Building Trades and Engineering. **BUT** it is important to be aware of the regulations for living and working in Guernsey. You can download the current Alderney residents Policy from the Careers Guernsey website www.careers.gg Year 10-11 'Find out more about Year 11 options' and 'I am an Alderney student' section and also available on the gov.gg website under [Population Management](#). In the meantime, please direct any queries about wanting to study or work in Guernsey to the Population Management office on 225790 or population@gov.gg

Employment in Alderney
