

Internship program

A great opportunity for a sixth form student or undergraduate to gain valuable work experience within one of Guernsey's few locally owned and locally-run investment managers.

Our commitment to you

The RAW Capital Partners internship program has been developed over recent years to provide young people with:

1. hands-on experience a 'scale-up' business;
2. an opportunity to contribute as if a permanent member of staff; and
3. work experience while pursuing academic qualifications.

Who we are looking for

No particular academic background or industry experience is required but we will be looking for candidates who use their initiative, act responsibly, and collaborate with others.

The ideal candidate will have:

- strong numerical and literacy skills;
- excellent organisation and communication skills; and
- IT literacy
