[Collas Crill](#)

We offer a number of bursaries to students in Guernsey. If you are a Guernsey resident and thinking of pursuing a career in law, we can assist you with your studies financially as well as providing support and work experience opportunities.

If you wish to apply for a bursary, you aren't limited to taking a law degree. We consider the intention to become a lawyer rather than the degree course being followed. Alternatively, we also support post graduate studies such as LPC or SQE.

If your application is successful, we will issue an offer conditional on you achieving the results noted in the next column. The bursary award is for the duration of your relevant studies and will be made up of:

- Financial support -£2,250 split across the academic year
- £250 book tokens
- Preferential consideration for work placements at Collas Crill
- Careers advice from partners and other lawyers
- First refusal on up to four weeks' paid work experience per academic year
- A buddy to offer help and guidance during your time with Collas Crill and offer academic advice

If you would like to be considered for our scheme, you'll need to achieve the following:

-Two A grades and one B grade at A-Level or higher (or a minimum of 136 UCAS points)

-2:1 classification of degree or above (which you will need to maintain for the duration of your bursary)

In addition to our academic requirements, we are looking for students who possess the attributes that embody Collas Crill. Strong communication skills as well as drive are just some of the qualities that we look for.

Recruitment for the Bursary Programme will open in late 2022, and will be advertised on our website.

[Foresters Healthcare](#)

Applicants must be 16 years or over and studying for a professional qualification or a degree. Applicants must have completed 1 year's membership of the Society to qualify.

[Watts Property Consultants](#)

We offer bursaries to support those wanting to pursue a career in commercial property and take the first step to becoming a Chartered Commercial Property Surveyor or Chartered Building Surveyor. This would be achieved by studying for a degree accredited by the Royal Institution of Chartered Surveyors (RICS).

Although all accredited degrees will be considered, preference will be given to real estate and building surveying related courses.

The bursary is £2,000 per annum (split across the academic year) for a 3-year undergraduate course or a 1-year postgraduate course. Students part way through a degree course will also be considered.

Successful applicants will be required to undertake a minimum four weeks of paid work experience each year.

Our bursaries are open to students currently studying or wanting to study an RICS accredited degree at either undergraduate or postgraduate level.
